

Geareducer[®] solutions

NEW, REMANUFACTURED AND REPAIRED OPTIONS
FOR EXTENDING THE LIFE OF YOUR COOLING TOWER

MARLEY[®] 

New. Remanufactured. Repaired. There's still no better gearbox than a Geareducer.

NEW Marley Geareducers meet the highest performance requirements for your strenuous cooling tower application.

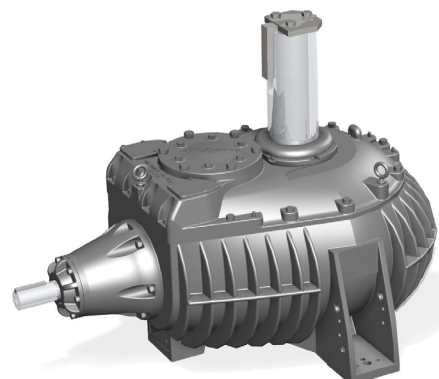

REMANUFACTURED Marley Geareducers have fast lead times and a superior life-cycle extension at a best-in-class price.

REPAIRED Marley Geareducers for simple maintenance issues that require an inspection and fix.

Which is right for you?
