

Keep your equipment looking and operating at its best with SGS. When your industrial refrigeration equipment needs new components, SGS Refrigeration can supply you and your customers with reliable, long-lasting solutions, from expansion valves to fan guards, motors to replacement coils. Our replacement parts are designed for quality and are compatible with a variety of manufacturers, including **Krack Industrial, Imeco, Frigid Coil** and more.

Contact the SGS parts team to order aftermarket and replacement parts today, or find your local SGS representative (See pg 2) for onsite equipment inspection and recommendation.
